CONTRACT FOR SERVICES

Contract for Services: I/we, the above-named client(s), as owner(s)/authorized agent(s) of the above-listed address (“Client”), authorize and agree for **Innova Restoration and Reconstruction** (“Innova”) to enter the property, furnish all materials, supply all equipment, and provide all labor necessary to preserve, protect, and restore the property to its pre-loss condition in accordance with the price and scope of work contained in Innova’s estimate/invoice, which will be provided to me/us, for:

_____ Water Mitigation _____ Mold Remediation _____ Interior Repairs

Emergency Services: Client understands the services provided by Innova may involve emergency services, and as such, it may be impossible for Innova to provide an estimate for services prior to starting work. Therefore, Client authorizes Innova to start immediately and provide me/us an estimate/invoice for services whenever feasible. Client relies upon Innova’s expertise and agrees to allow Innova to furnish all necessary services under the circumstances and to pay all amounts billed.

Price: If an estimate has been provided, Client agrees to have Innova perform all work and pay \$ _____ (the “Contract Price”) for its services. Client shall provide payment to Innova upon the following pay schedule:

- \$ _____ prior to the start of work;
- \$ _____ after _____% of all work is completed;
- \$ _____ after _____% of all work is completed;
- \$ _____ after _____% of all work is completed;
- \$ _____ after the completion of all work.

Supplemental Services: Should it later be discovered that more work is necessary to properly restore the property, Client shall be provided a supplemental estimate for prior approval of additional services to be performed.

Payment Terms: All payments are due upon completion of services, and any outstanding balance owed after 14 days from the date of completion shall accrue interest in the amount of 1.5% per month, calculated daily. Innova shall be entitled to reimbursement for all costs associated with the collection of unpaid balances.

Governing Law and Legal Fees: This agreement shall be governed by the laws of the State of Florida, and any and all disputes arising out of this agreement shall be determined by a Court of competent jurisdiction located in Orange County, Florida. In the event any dispute arises between Innova and Client in connection with this agreement, each party shall bear its own legal fees and costs. If either party successfully sues the other party for enforcement of this agreement, the prevailing party shall receive its reasonable legal fees and costs for pursuing such action, including all appellate levels and for the recovery of legal fees and costs.

Early Termination; Stop Work & Hold Harmless: In the event Innova is unable to fully furnish services in accordance with its recommendations, Insured agrees to release and hold Innova harmless from all liability, and shall defend and indemnify Innova against any and all claims or actions that may result. Insured agrees that it is responsible to pay to Innova the full value of all services that have been rendered, as well as \$1,000.00 for liquidated damages.

I/we have read and understand all of the information outlined above. This agreement is entered into voluntarily, and by signing below, I/we agree to be bound by all of the terms of this agreement.
